# Ambiloom® Collection

## Innovative lighting objects for a unique interior design

**ETTLIN LUX®** has developed a patented special light-technical fabric. When backlit by LEDs, this fabric creates exciting three-dimensional light lines. This effect is what makes the **Ambiloom® collection** unique.

The collection represents functional products that are convincing as design elements and ambient lighting objects at the same time. In a surprising yet discreet way, the wall mirrors and luminaires make any room special.

The mirror collection includes modern wall mirrors in four different formats with ambient lighting as an additional function. For this purpose, the composite of high-quality, translucent mirror glass and ETTLIN LUX® fabric, is backlit by LEDs integrated on the back plate. The lighting scenario unfolds via a touch sensor integrated into the aluminum frame. Three-dimensional light lines shine on the surface of the mirror. These give interiors optical depth and a special atmosphere. When switched off, the mirror image is clear.

The Ambiloom® luminaires convince with textile surface, functional downlight and ambient light effect. Elegant and discreet appearance also when they are switched off, they blend harmoniously into a wide variety of interiors. It is the ambient light that makes the luminaires a room-defining element. Ambiloom® luminaires are available as floor lamps or as pendant luminaires in various designs.

# Wall Mirror

## Frame

Aluminum in black matt

## Ambient lighting

3.000 K (warmwhite)

## Dimmable

No

## Remote Driver

12V - Optional DAHL driver

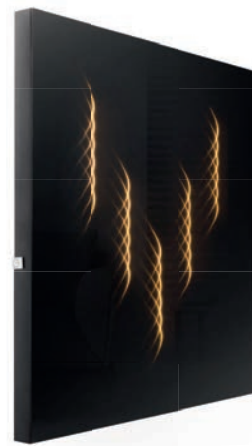

## Touch panel

for light switch

## Suspension

Mounting plates for wall mounting

### Ambiloom® Mirror 750

**Size**  
750 mm x 750 mm x 50 mm (W x H x D)

**Max. power consumption of LEDs**  
2,5 Watt

**Weight**  
12 kg

**Item No.**  
61BS-6000-750Q

### Ambiloom® Mirror 800

**Size**  
400 mm x 800 mm x 50 mm (W x H x D)

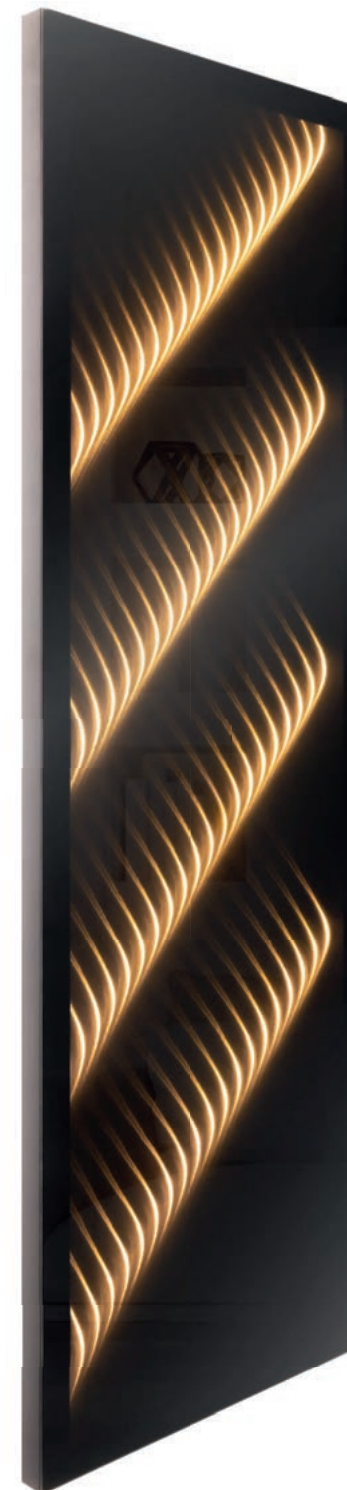

**Max. power consumption of LEDs**  
3,75 Watt

**Weight**  
8 kg

**Suspension**  
vertical

**Item No.**  
61BS-6000-0505

### Ambiloom® Mirror 1700

**Size**  
550 mm x 1,700 mm x 50 mm (W x H x D)

**Max. power consumption of LEDs**  
7 Watt

**Weight**  
21 kg

**Suspension**  
horizontal or vertical

**Item No.**  
61BS-6000-1010

# Luminaires

**Material**  
Metal | ETTLIN LUX® textile

**Ambient lighting**  
LEDs 12 V | 3.000 K (warmwhite)

**LED performance**  
10 Watt

**Dimmable**  
No

**Power supply**  
220 - 240 V AC

**Socket**  
E27 (without bulb)

**Protection class**  
IP20 | for Interior

## Ambiloom® Floor 250

**Size lampshade**  
Ø 200 mm | 250 mm height

**Total height**  
ca. 1.500 mm

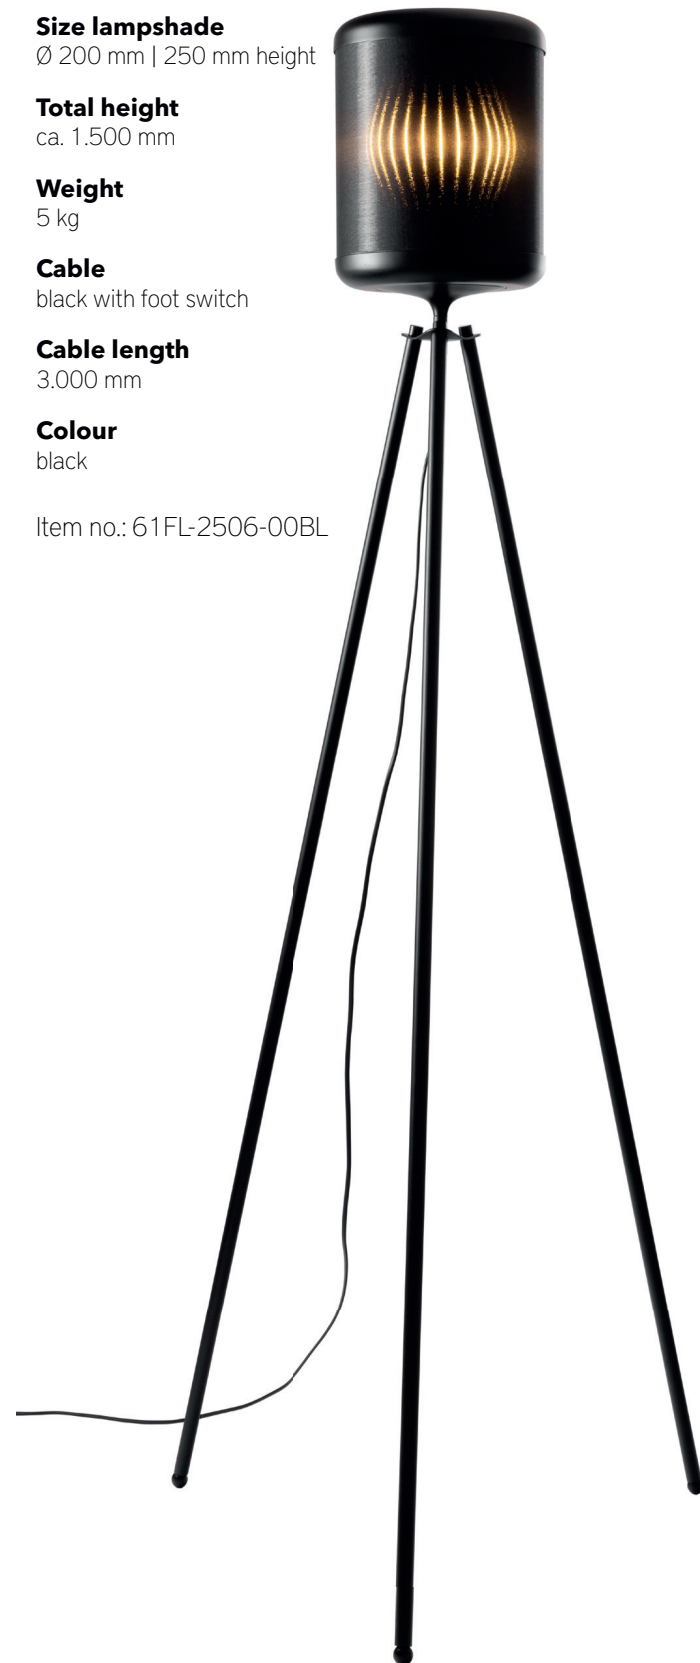

**Weight**  
5 kg

**Cable**  
black with foot switch

**Cable length**  
3.000 mm

**Colour**  
black

Item no.: 61FL-2506-00BL

## Ambiloom® Pendant 250

Textile  
made in  
Germany

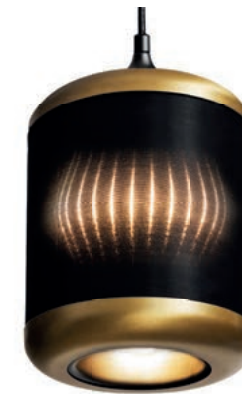

**BLACK**  
reflector black

**Item No.**  
61PL-2506-00BL

**Size**  
Ø 200 mm | H 250 mm

**Weight**  
3 kg

**BRASS**  
reflector brass

**Item No.**  
61PL-2506-00BR

**Canopy**  
Ø 95 mm | H 24 mm

**Cable**  
textil cable black

**CHROME**  
reflector black

**Item No.**  
61PL-2506-00CH

**Cable length**  
approx. 1,45 m

**TIMBER**  
reflector black

**Item No.**  
61PL-2506-00WD

## Accessories

Double-Canopy  
black

**Size**  
605 x 82 x 30 mm (L x W x H)

**Item No.**  
61PL-6000-00CD

Triple-Canopy  
black

**Size**  
1,105 x 82 x 30 mm (L x W x H)

**Item No.**  
61PL-6000-00CT

Triple-Canopy Round  
black

**Size**  
Ø 450 mm | H 30 mm

**Item No.**  
61PL-6000-00CR
