Staron® is a silica free surface manufactured by LOTTE Chemical, a renowned industry leader known for its commitment to quality.

“LOTTE Chemical strives to fulfil its corporate economic, social and environmental responsibilities, and to move toward a sustainable tomorrow by protecting the one and only planet Earth”. In 2022, LOTTE Chemical unveiled ‘Green Promise 2030’, an ESG strategy that aligns with their new corporate vision of ‘Every Step for GREEN’. Aiming to achieve future-oriented value growth by taking the lead in sustainable future industries, contributing to the environment and society by pursuing carbon neutrality, eco-management, and social value creation based on circulation and coexistence.
