Integrated Baby Change Collection

Perfectly designed to compliment the Baby Bath Collection. The thermoformable nature of Staron allows for seamless integrated baby change tables. These hygienic and ergonomic designs are perfectly suited for parent spaces. [Learn More...](#)

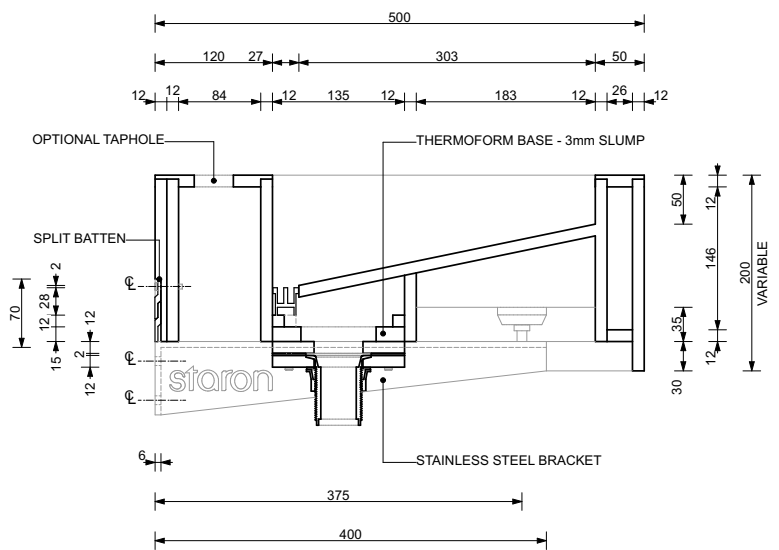

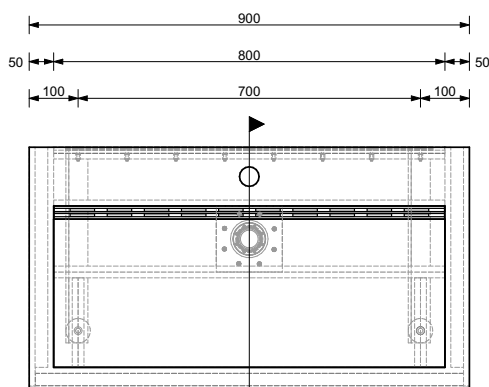

Custom Sinks & Bowls

The design versatility of Staron® means that you can create any custom design to meet the needs of a customer or project application. To discuss creating a custom design, [contact your local Austaron representative](#).

Staron Washplane Collection

A collection of design inspirations fabricated locally to suit project requirements. Designs can be fabricated in the standard layouts, or be customised further to meet the requirements of each individual project. Our collection can incorporate selected tapware or additionally compatible options are offered from the Dyson Airblade & Bradley Washbar collections.
